

One way system for traffic flow with entry from Lovedale St and exit to Kedron Brook Road.

This carpark belongs to the O'Shea Centre, and while we share the site with them, we can use it as long as all vehicles are out by 9 am every weekday morning.

Prep carpark. Care must be taken when exiting as you are required to join the line of traffic to exit via Kedron Brook Road.

No drive through or parking around the Church at all times.
